

2019 年 1 月 13 日 托福口语考题回忆

Task 1

your friend is coming to your country for a visit, before he comes here, he asked you for advice about what he should and should not do with regards of a visit politely?

Please include your opinions you could give him.

Task 2

The school is thinking about getting “the study hall” to fill in the schedule of the students. The study hall is the free class time for students to relax or study what they like.

Do you agree or disagree with this movement?

Task 3

【阅读】

标题: mentor plan

原因 1: get to know the new life faced by the freshmen

原因 2: it is also good for both the old students(mentor) and the new student

【听力】

态度: agree

原因 1: make life more convenient, like ask for where to buy certain things and where to open a bank account and get familiar with the transportation system.

原因 2: get new friends, who can help with practicing the new language.

Task 4

【阅读】

标题: disguise smell

定义: it is a strategy used by animals to disguise their smell to protect themselves from the predators. Such as absorbing the smell from their environment to disguise their smell.

【听力】给出的例子: starfish is the predator of many small ocean animals, like limpet. Limpet protect itself from the predator by eating a lot of plants it inhabit in, and then it will smell like grass, this will be a great way to escape from the predator.

Task 5

问题: The man has a problem that his sister is going to have a baby this week, but his driver license is lost.

解决方案 1: wait for the new driver license to be mailed to him

优点 1: he could save the time that would otherwise wasted on the bus

缺点 1: he will not get it until next week, which will make him missed the chance to see the baby this week.

解决方案 2: take the bus to his sister

优点 2: will be able to see the baby this week.

缺点 2: it will take almost 5 hours on the bus, too much time.

Task 6

话题: How recording technology changed the music development

要点 1: limited time

例子 1: when the music was performed in live, the time is not limited, there were more repetition than later when the recording technology was emerged.

要点 2: softer and more intimate sound

例子 2: microphone makes it possible for the singers to create more intimate and softer sound.
